James Browne Electrics is seeking a mature-minded Apprentice Electrician who is focused on customer service and attention to detail. We have operated within Daylesford and surrounding areas for over 24 years and service a broad range of customer's needs including electrical and telecommunications installations, new connections, service and maintenance across domestic and commercial premises. We also do solar installations including the design of grid-connect projects, so an interest in the renewables field is desirable.

We are looking for expressions of interest for a full-time electrical apprentice to join our team so we can meet our increasing and varied projects. You will enjoy a diverse range of jobs and responsibilities working within a friendly and supportive team. Confidence with good communication and decision-making skills is central to our business model. This position would be ideal for an apprentice wanting to gain a broad knowledge of the industry and be part of a great country community.

This position requires applicants to:

- Have a high level of workmanship and pride in work
- Have great customer service skills and a positive attitude
- Enjoy problem solving across a broad range of electrical tasks
- Work with the team to ensure works are completed in a timely fashion for a great customer experience.
- Be punctual and presentable
- Be keen to learn and develop skills
- Hard-working and motivated

Applicants must have the following:

- Be enrolled with an RTO and completing an electrical apprenticeship
- Construction Industry White Card
- Strong Analytical and Problem-Solving Skills
- Knowledge of Industry Standards and Safe Work Practices

The following skills and experience will be considered favourably:

- Current Victorian drivers' licence (manual)
- Experience in the electrical and/or renewable industry will be highly considered
- Working at heights
- Ability to obtain a Police Check if required for projects

Please send your cover letter and resume to jbeelectrics@bigpond.com or call Asha on 0415 124 335 if you have any questions.
